## Mrs. Hernandez's 3<sup>rd</sup> Grade

### Announcements:

#### **"Dream House" homework project for quarter 3:**

This Friday your child's Dream House flooring and paint choices charts are due. Please refer to your child's final floor plan (which will be sent back home today) to calculate flooring and paint costs. Examples and instructions can be found in the Dream House packet.

**Morehead Planetarium field trip:** Our last field trip of the year is March 20 and we will be going to the Morehead Planetarium in Chapel Hill. We have room for 2 more chaperones. If you are registered with Wake County as a volunteer and would be interested in joining us for the morning, please let me know.

### **Important dates:**

**March 9 Donuts and pj day**

**March 19 Picture Day**

**March 20 field trip**

**March 23 Silent Auction**

### Specials Schedule next week:

**Monday 3/5 Health/Fitness**

**Tuesday 3/6 Logic**

**Wednesday 3/7 PE**

**Thursday 3/8 Art**

**Friday 3/9 Music**

### What are we learning?

**Math:** In math we are learning that equivalent fractions are different fractions that name the same quantity.

**Literacy:** We continue reading and writing informational texts and researching about different kinds of frogs. We are also learning about the different ways that sentences and paragraphs can be connected or organized.

**Science:** We have begun a science unit about landforms. We will be learning about different water features and comparing fresh water bodies of water to salt water bodies of water.

**Social Studies:** Mr. Lee is teaching the kids about geography and maps in Social Studies this quarter.
